4.2 CSR committee may adopt CSR activities on:

- long term basis i.e. ongoing project for a period not exceeding 3 years excluding the financial year in which it was commenced
- short term basis

5.0 **Budget:**

- a) The Board of the Company will ensure that in each financial year at least two per cent of the Average Net Profit (calculated as per Section 198 of the Act) made during the three immediately preceding financial years is spent on CSR initiatives undertaken by the Company. Any amount spent by the Company in excess of requirement of Section 135(5) of Act, may be set off against the requirement of CSR spending under Section 135(5) upto 3 succeeding financial years.
- b) In case the amount indicated at (a) above is not spent in a financial year, the reasons thereof will be outlined in the Board Report as per Section 134 (3)(o) of the Act.
- c) Unspent amount relating to ongoing projects shall be transferred to Unspent Corporate Social Responsibility Account with scheduled bank within 30 days of end of financial year and shall be spent within 3 financial years from the date of such transfer. Any amount remained unspent for project (other than ongoing) or amount pertaining to ongoing projects which is not spent within period of 3 years in accordance with Rules, shall be transferred to fund specified in Schedule VII, within 6 months or 30 days of the expiry of financial year, as the case may be.
- d) Any surplus generated out of the CSR activities of the Company will not form part of the business profit of the Company and will be ploughed back into same project or shall be transferred to Unspent CSR Account and spent/utilised in the future CSR Activities only.
- e) When undertaking a CSR project in collaboration with other companies, institutions, the company will report on its share of CSR expenditure only.
- f) All expenditure towards the CSR Projects/ Programs will be documented suitably.

6.0 **Implementation Strategy**

The Company will implement its CSR Projects/ Programs either directly through a team of trained professionals or through engaging some credible CSR Implementing Partners who:

- have technical expertise and experience to undertake various programs in the identified core focus area of CSR;
- meets the eligibility criteria specified in Rules.

Company will also endeavour to build up its capacities to undertake more and more CSR activities directly by developing and hiring professionals and expert manpower for the same. Company may engage organisations for designing, monitoring, evaluation and impact assessment of CSR Projects.

7.0 Governance Mechanism and Monitoring:

The Company has constituted a governance structure to oversee the implementation of its CSR Policy in compliance with the requirements of Section 135 of the Act. The governance of the CSR Initiatives of the Company shall be as per following structure:

- Board of Directors of the Company have formed a CSR Committee of Directors. CSR Committee of Directors will meet at least twice a year to review the implementation of CSR projects/ programs and give suitable directions and recommendations.
- A team of senior executives of the Company (CSR Implementation Committee) comprising of (a) Managing Director & CEO (b)_ Sr. ED (F & A) (c)_Sr. ED (HR, Admin, Training and CSR) (d) Financial Advisor has been formed to oversee/ monitor day to day implementation of the CSR Projects and decision making for the same. This team meets frequently on need to need basis and at least once in a quarter to take stock of the CSR Projects and based on the progress to release the budget funds to the projects. This team directly report to the CSR Committee of Directors.
- CSR Committee of Directors and CSR Implementation Committee are collectively responsible for the decision making and implementation of CSR Policy of the Company.
- A comprehensive Monitoring Mechanism will be devised by the Company to ensure that the CSR Projects and Programs are functioning in the manner as mandated by the Act and Rules ensuring that all Projects/ Programs as budgeted are duly implemented.

8.0 Reporting and Measuring of Outcomes and Impact:

- Meticulous documentation of projects / programmes will be done for ongoing / other than ongoing projects to ensure that progress is continuously tracked; course corrections are provided, lessons learnt and objective feedback is received.

- Company will continuously strengthen its existing systems and processes to capture the impact (social/ economic and developmental) made through its various initiatives.
- The details of CSR activities / projects undertaken during the year and the amount spent thereon, duly certified by CFO, shall be placed before the CSR Committee for review and thereafter shall also be placed before the Board. The Board shall also report the same to the shareholders by way of Annual CSR Report as Annexure to their Report.
- The Company shall follow and comply with the requirements for disclosure of the CSR Policy and/or CSR activities in the Board's Report and on the website of the Company or otherwise, as may be required, in terms of the provisions of the Act/ Rules.
