

## IFFCO-TOKIO GENERAL INSURANCE CO. LTD

Regd. Office: IFFCO Sadan, C-1, Distt. Centre, Saket, New Delhi-110017

### Wellness Benefit

UIN: IFFHLIA22178V012122

### ADD-ON WORDINGS

#### DEFINITION OF WORDS

1. **App:** An application, typically a small, specialized program downloaded onto mobile devices.
2. **Diagnostics** Medical test conducted by a registered medical practitioner, supported by clinical, radiological, histological, histopathological, laboratory evidence and/or surgical evidence wherever applicable
3. **Health Risk Assessment** It is a screening tool that helps individuals identify and understand their health risks and monitor health status over a defined period of time.
4. **Medical Second Opinion:** This means consultation by a specialist medical practitioner for evaluation, review of treatment and recommendation in case of a critical illness
5. **Preventive Risk Assessment** This is a method that helps individuals identify their health risks and status by undergoing Medical tests conducted by a registered medical practitioner, supported by clinical, radiological, histological, histopathological, laboratory and/or surgical evidence wherever applicable over a defined period of time.
6. **Recognised medical institution-** An organization founded and united for a specific purpose or a medical establishment run by a group of medical specialists. Any organization in which several medical disciplines are practiced comes under the same.  
Medical institution when used in this division, shall mean a facility which is organized to provide medical care, including nursing and convalescent care, in accordance with accepted standards as authorized by state law and as evidenced by the facility's license. A medical institution may be public or private.
7. **Reward points**  
Virtual Points earned on achievement of the targets and completion of the various activities as specified under our Wellness programme
8. **Telemedicine Consultation**  
Telemedicine refers to the practice of caring for patients remotely when the provider and patient are not physically present with each other. Modern technology has enabled doctors to consult patients by using video-conferencing tools giving rise to the concept of telemedicine consultation.

## 9. Wellness

It is an approach to healthcare that emphasizes preventing illness and prolonging life, as opposed to treating diseases.

1. **Wellness Services:** - On opting for this benefit by paying an additional premium, this policy provides facilitation and/or arranging, whatsoever, a host of Wellness and Preventive Health Services for promoting and rewarding the healthy behavior of the Insured as described below.
