

## MARINE HULL & MACHINERY INSURANCE

### SCOPE OF COVER

The marine Hull policy covers the following:

- Hull:-It means the body of the ship(outer portion)
- Machinery: -Like engine, boiler etc.
- Equipment's, Stores etc. on board
- Against Total loss(Actual/Constructive):-ITC 1.10.8-Total Loss Only
- Partial Loss, ship's proportion of G.A and salvage charges, Sue and labour expenses , ship-owners liabilities towards other vessels arising out of collision .
- It also Covers 3/4<sup>th</sup> and 4/4<sup>th</sup> collision liability.
- The earnings of the vessels described as "Freight" can be covered up to 25% of H & M value provided no additional insurances on the disbursement s are placed.
- The ship-owners expenses incurred in fitting and provisioning the vessel and other items not included in the hull valuation are covered under "Disbursement and Increased Value" insurance. The sum insured is limited to 25% of H & M value (provided no additional insurance is of freight is placed). Briefly stated that combined sum insured for "Freight Insurance" and Disbursement and Increased Value" should not exceed 25% of H& M value.
- Time Policy covers defines specific time and date. It ordinarily does not exceed 12 months.
- Voyage Policy covers entire voyage from one port to final destination of the port.

### FEATURES OF MARINE HULL INSURANCE

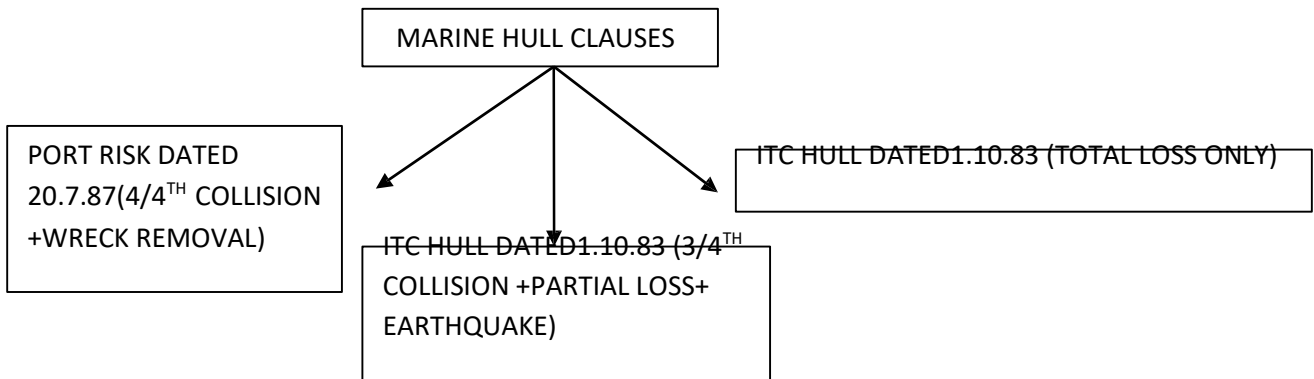

- Marine hull Policies are time bound policies.
- These are issued as agreed value policies.
- These policies are not freely assignable. Consent of hull underwriters is essential.
- Basis of indemnity is
  - i. Provision of new for old.( Clause 14 of ITC Hull Dated 1.10.83)
  - ii. In case of TL/CTL the full sum insured without deduction for normal wear and tear and without applying deductible excess.( Clause 12 of ITC Hull Dated 1.10.83)
- Sum Insured does not get reduced with the payment of partial loss claim.

## MARINE HULL & MACHINERY INSURANCE

-The total amount of successive partial losses may exceed the Sum Insured.

- Collision Liability is a supplementary Contract: -Cover for damage/loss to other vessel in addition to damage/loss to insured vessel. (Clause 8 of ITC Hull Dated 1.10.83)
- Sue and labor charges are paid in addition to the claim amount payable even if policy covers for T.L/CTL.( Clause 13 due of assured- of ITC Hull Dated 1.10.83)
- The survey fees is payable by Hull underwriters if it is later on found that the claim is within the deductible excess of the policy.
- Inland vessels are based on GRT.
- Ocean Going Vessels are rated based on GRT, BHP, and DWT.
- The insured is required to submit the valuation report for all the vessels at the time of
  - a. At the time of attachment of a new acquisition of the fleet.
