

Iffco-Tokio launches add-on to motor policy

Mumbai: Iffco-Tokio General Insurance (ITGI) on Tuesday launched an add-on to its motor insurance policy called On-Road Protector, which would address the customer's needs in case something happens to the car. It would be available to its existing customers only at the time of renewal and to new customers as an add-on to its motor insurance policy on the payment of additional premium. It has been launched in Delhi National Capital Region and will be launched across the country in phases.
