IFFCO Tokio Unveils Home Insurance Policy for both Homeowners and Tenants

For tenants, the plan offers coverage for potential damage to the landlord's property, including things like electrical fittings or interior decor, which can otherwise become a point of stress, especially during move-outs or disputes

इफ्को-टोकियो ने गृह स्वामियों और किरायेदारों दोनों के लिए लॉन्च की बीमा पॉलिसी

नई दिल्ली। अग्रणी साधारण बीमा प्रदाता इफ्को-टोकियो ने आज 'कॉम्प्रिहेंसिव होम प्रोटेक्टर' नाम से गृह बीमा पॉलिसी के लॉन्च की घोषणा की। यह एक ऐसी होम इंश्योरेंस पॉलिसी है, जो बिना किसी बीमा गैप के पॉलिसी धारक और उसके परिवार को भौतिक सम्पत्तियों, हितों और दायित्वों के जोखिमों से सुरक्षा प्रदान करती है। भारतीय बीमा विनियामक और विकास प्राधिकरण के दिशा-निर्देशों के अंतर्गत तैयार की गई यह बीमा पॉलिसी आग की अलग (डी-बंडल्ड) कवरेज के साथ आता है, और ग्राहक 'बेसिक फायर कवर' चुन सकता है। इसके अलावा वह भूकंप, तूफान, चक्रवात, टाइफून, आंधी, तूफान, बवंडर, सुनामी, बाढ़, जलप्लावन, बिजली, भूस्खलन, और

आतंकवादी कृत्य, दंगे, हड़ताल, दुर्भावनापूर्ण क्षति, बुश फायर, जंगल की आग, सिविक अथॉरिटी की कार्रवाई से होने वाली क्षति आदि जैसी अन्य प्राकृतिक और मानव निर्मित आपदाओं/खंडों को अतिरिक्त कवरेज के रूप में चुन सकता है। यह पॉलिसी कुछ परिस्थितियों में बीमाधारक के घर के बाहर खोए गए व्यक्तिगत धन/महत्वपूर्ण दस्तावेजों और कार्डों की कवरेज के साथ आती है। पॉलिसी में खोए हुए पैसे वापस करने का प्रावधान है, साथ ही यह खोए हुए/क्षतिग्रस्त दस्तावेजों और शेयर और स्टॉक प्रमाणपत्र, जमा रसीदें, बीमा पॉलिसी, शीर्षक विलेख, पांडुलिपियां, पासपोर्ट, ड्राइविंग लाइसेंस, क्रेडिट कार्ड और व्यक्तिगत रिकॉर्ड और प्रमाणपत्र जैसी

वस्तुओं को फिर से प्राप्त करने में होने वाली लागत का भी भुगतान करती है। इफ्को-टोकियो की गृह बीमा पॉलिसी की एक खास बात व्यक्तिगत सामान को होने वाले नुकसान की भरपाई है, जो निवास को एक स्थान से दूसरे स्थान पर स्थानांतरित करने के दौरान संभव है। इस प्रावधान के तहत आग, बिजली गिरने, पुलों के टूटने, सामान ले जा रहे वाहन के पलटने या पटरी से उतर जाने या दुर्घटना, और डकैती या लूटपाट जैसी घटनाओं के होने पर मुआवजा प्रदान किया जाता है। आभूषण और अन्य मूल्यवान वस्तुओं के खोने, ललित कलाओं को नुकसान, फिक्स्ड ग्लास और सैनिटरी फिटिंग, घरेलू उपकरणों के टूटने, पोर्टेबल इलेक्ट्रॉनिक उपकरण, साइकिल,

बीमित व्यक्ति की आकस्मिक मृत्यु या विकलांगता, और मृत्यु या विकलांगता के मामले में ऋण भुगतान सुरक्षा, व्यक्तिगत देयता इस बीमा पॉलिसी की कुछ प्रमुख विशेषताएं हैं। पॉलिसी भवन/घर को हुए नुकसान, मालिकों/मकान मालिक द्वारा दी गई सामग्री, बिजली के प्रतिष्ठानों, जमीन के ऊपर और नीचे के टैंकों, फिक्स्ड ग्लास/सैनिटरी फिटिंग और अन्य जुड़नार, फिटिंग और आंतरिक सजावट के साजोसामान के लिए गृह स्वामी के प्रति किरायेदार की देयता का भी ख्याल रखती है। लॉन्च के इस अवसर पर इफ्को-टोकियो से सीधे पॉलिसी खरीदने पर कंपनी प्रीमियम पर सीमित समय सीमा के लिए 10% की छूट दे रही है।

Leading general insurer IFFCO-Tokio today announced launch of ‘Comprehensive Home Protector’, a home insurance product that covers the risk of loss/ damage of physical assets, interests, liabilities of the Insured and their family making no insurance gap.

Designed as per guidelines of Insurance Regulatory and Development Authority of India (IRDAI), the insurance product comes with de-bundled fire coverage and insured can choose ‘Basic Fire Cover’, besides opting for other natural and human-made disasters/sections as additional coverage, such as earthquake, storm, cyclone typhoon, tempest, hurricane, tornado, tsunami, floods, inundation, lightening, landslide, and act of terrorism, riots, strikes, malicious damage bush fire, forest fire, damage resulting from action of civic authorities etc.

This policy also comes with coverage of personal money/ important documents and cards lost under certain circumstances outside insured’s home. While the policy has provision to return the lost money, it also pays for cost incurred in reproducing the lost/damaged documents and items like share & stock certificates, deposit receipts, insurance policy, title deeds, manuscripts, passport, driving license, credit card and personal records and certificates.

One of most significant aspects of IFFCO Tokio’s Home Insurance Policy is coverage of damages to contents when you change homes from one geographic location to another. This feature also includes damages due to fire, lightening, breakage of bridges, overturning of carrying vehicle, derailment or accident and robbery & dacoity.
